

Thank you for donating an engraved brick that will be placed around the newly refurbished cannon in front of the American Legion Post 690. Proceeds from this legacy will benefit the Post and needed capital improvements.

Each brick will cost \$110, and each brick will accommodate 3 text lines with up to 13 characters per line. Icons are available for each brick. Please allow spacing for icon based on the chart below and indicate placement on brick. The engraving company reserves the right to determine the final location of the icons and the Legion reserves the right to edit the text.
